Our Spiritual Family

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association provide a welcoming Marist home, and a community or family that allows Members to experience a strong sense of belonging and connectedness?

**Br Michael is obviously passionate about the Marist project in Australia.
What excites you about being part of this project?**

In the video, Br Michael says, 'A *charism* is defined as a gift of the Holy Spirit.'

What appeals to you most about the Marist charism?

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
