## Talking Points

for Group Discussion or Personal Reflection

### *Our Spiritual Family*

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association provide a welcoming Marist home, and a community or family that allows Members to experience a strong sense of belonging and connectedness?

**How will we welcome the people who come after us, the next generation of Marists? How will we make them part of the community?**

**Br Michael says, 'As a family we belong to one another and we share responsibility for this Marist way, here in this country.' How can we take responsibility for the vitality of 'this Marist way' into the future?**

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
