for Group Discussion or Personal Reflection

Our Ministry

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association nourish and support you in your personal or professional ministry work?

Br Paul identifies the ability to move from one Local Group to another, as his work location has changed, as one of the strengths of the Association. Is it your experience that belonging to a Local Group energises or inspires you in your work or mission?

In the video, Br Paul talks about *'the reflections we share'* and *'the interest we show in each other.'*

How do the Members of your Local Group 'minister' to each other in this way?

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
