for Group Discussion or Personal Reflection

### *Our Ministry*

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association nourish and support you in your personal or professional ministry work?

**Who inspires you and what are your passions about being a Marist in ministry?**

**In the video, Danielle says, 'The links through the Marist Association to Marist Youth Ministry, Australian Marist Solidarity and other Marist networks means that it feels like we're working together towards a common goal.'**

**What do you see as the common goal of Marist ministry?**

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
