The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association nourish and support you in your personal or professional ministry work?

Fiona appreciates being able to explore her spirituality and to serve as an Association Member. How do you, your Local Group, and/or the wider Association serve?

In the video, Fiona says she feels strengthened and connected as a Marist when 'people see my gifts and when people invite them to be used.' What do you recognise as your gifts and those of others in your Local Group?

Why would you encourage other Marists to join the Association?
What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
