## Talking Points

for Group Discussion or Personal Reflection

### *Our Ministry*

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does the Marist Association nourish and support you in your personal or professional ministry work?

**In what ways are you or your Local Group drawn to supporting young people most in need?**

**In the video, James talks about co-responsibility, and that he hopes that, '...lay people feel responsible for the Marist vision in Australia'.**

**What is your vision for Marist ministry in Australia?**

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
