for Group Discussion or Personal Reflection

### *Our Spirituality*

The following are suggestions designed as a guide to enable discussion and consideration of the 'We are Marist, We are Family' series:

How does being a Member of the Marist Association nourish and help you grow in your faith life, and help you 'live in the Marist way'?

**What encounters, experiences and people in the Association have helped you on your faith journey?**

**In the video, Mel says that, after leaving Marist College, 'The Association has continued to grow my faith because I've stayed a Member.' How does your ongoing membership of this spiritual family allow you to express and grow your faith?**

Why would you encourage other Marists to join the Association?

What would you say to someone enquiring about the Association and asking why they should become a Member?

Are there any Marists who could be invited to join your local Family?
